

CAREER EDUCATION & WORK STANDARDS SYMPOSIUM

This event focuses on the inclusion of Career Education and Work Standards into curriculum at all levels of K-12. This event provides each educator in attendance with four impactful, relevant, lesson plans to adapt to the grade level in which they specialize, as well as other valuable experiences to utilize in their classrooms, such as the employer panel discussion. The anticipated audience is 180+ York County school teachers, administrators, advisors, and counselors.

Date: Thursday, February 8, 2018

Location: York County School of Technology

2017 Event Attendance: 185
