

# ANNUAL MEETING & RECOGNITION RECEPTION

## **SPONSOR NEEDED**

The York County Alliance for Learning's (YCAL) primary purpose is to serve as an intermediary organization that creates connections between education and business. YCAL aspires to be the go-to resource for educators who help students make meaningful career decisions.

YCAL provides a system of programs where education, community and business resources can be leveraged to benefit the students and workforce in York County and certain adjacent areas. It is the mission of The YCAL to connect educators and employers to engage students in career education and development.

YCAL will be holding its **Annual Meeting & Recognition Reception on Thursday August 30, 2018** to provide a recap of our last school year, look ahead to the programs in place for the 2018-2019 school year, and to publicly thank our many business partners and donors. The format of the session includes a brief program presentation and provides plenty of time to socialize and provide networking opportunities.

YCAL is searching for a business partner willing to act as the Gold Level Sponsor (\$1,500) to help support the event. The Gold Sponsor would be recognized alongside Penn State York, who is providing the venue. The Gold Sponsor for this event would be entitled to the following benefits in exchange for their consideration:

- ✓ Company logo included in all event promotions (Website, Email Invitation, Registration Form, and Program Agenda)
- ✓ Display table and signage at event
- ✓ Brief speaking opportunity at the introduction of the program agenda
- ✓ Invitation for up to 6 members of your organization to attend the event

**PennState**  
York

Please Save the Date:  
**THURSDAY, AUGUST 30, 2018**

**2018** Annual Meeting &  
Recognition Reception

---

5:00pm - 7:00pm  
Penn State York Community Room
