

HUMAN SERVICES CAREER EXPLORATION PROGRAM

The Human Services Career Exploration Program is a 2-Part program that helps students gain insight into human service careers. Completion of this program will give them a clearer picture of the struggles facing many community members, expand their knowledge of services available to York County residents, and learn about the departments in the York County Human Services Division. Students can look forward to two after-school and on-site sessions to explore this career path.

Eligibility: High School Sophomores, Juniors and Seniors

Location/ Dates: **Part 1 - FALL SESSION**
Tuesday, October 17, 2017
4:00p-6:00p
