INFORMATION TECHNOLOGY CAREER EXPLORATION PROGRAM

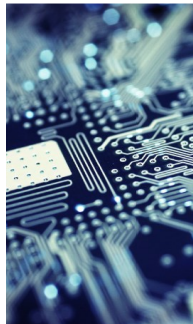

Students interested in a career working with computers, technology, and networks will want to check out this monthly program in information technology. This program includes discussions and hands on demonstrations on topics that build linkages from high school into the Information Technology (IT) field. Students will learn about security, programming, hardware maintenance, and multimedia usage. Students will also get to tour a local IT firm and hear from industry practitioners who apply this coursework on a daily basis.

Eligibility: High School Sophomores, Juniors and Seniors

Location: YTI Career Institute
1405 Williams Rd.
York, PA 17402

Date: 2nd Thursday of each month starting on October 12th.
(Full schedule is to the right)

Visit www.ycal.us for the application or see your High School's Guidance/Career Coordinator for more details
