AUTOMOTIVE INDUSTRY CAREER EXPLORATION PROGRAM

The automotive industry is one of the largest industries in the country, with over 100 million vehicles on the road. These vehicles are in constant need of maintenance, repair, and replacement, which means lots of jobs! Students that are interested in a career with high job demand AND many benefits being offered to potential employees, will not want to miss this program. Hosted by York's own Apple Automotive and their training partner Universal Technical Institute, a wide-range of topics and interests in this industry will be covered, culminating in a shadowing opportunity with one of its dealerships master-certified technicians.

Eligibility: High School Juniors and Seniors

Location: Apple Automotive
950 Smile Way
York, PA 17404

Parking: Parking is available on-site at the Apple Automotive home Office

Date Thursday, October 24, 2019
9:00AM - 2:00PM
