

# HEALTHCARE CAREER EXPLORATION PROGRAM

Do you have a desire to help and care for others? If so, a position in the field of Healthcare may be in your future. This program will explore several potential career paths in the field of Healthcare that may require a 2-year degree, 4-year degree, or a special certification after High School. If you have any interest in working in this field but have not committed to a specific course of study, this is a great program to check out to explore your options in the field of Healthcare services!

**Eligibility:** High School Sophomores, Juniors, and Seniors

**Location:** Normandie Ridge  
1700 Normandie Drive  
York, PA 17408

**Date:** Wednesday December 11, 2019

**Time:** 9:00AM - 2:00PM

**Parking:** Parking is available in any spots around the perimeter (a map will be provided to those accepted into the program)
