

STUDENT LEADERSHIP CHALLENGE

In today's quickly changing world, successful students must continually set new goals and adapt to challenging environments. Whether they aspire to be an entrepreneur, nurse, teacher, engineer, artist, lawyer, or any other profession, leadership qualities will be important to their success.

York College's one-day Student Leadership Challenge program allows students to explore and practice proven leadership skills through hands-on sessions. Taking advantage of opportunities to cultivate leadership skills is a distinction that will set them apart from their peers during this pivotal time in their lives. Program includes lunch, course materials, and all activities.

"You can wish for leadership skills...or you can make them happen!"

Program Agenda Friday, May 3rd 9:00AM - 2:00PM

We believe that every high school student can be a leader—whether they are currently in a designated leadership role or not. Our high-energy, engaging, and relevant leadership program will impact students in a way they have yet to experience.

The program is limited to the first 60 registrants!

Participants will learn and apply the following four essential leadership skills:

- **Modeling the Way:** Use your unique talents to set the example and become a trailblazer
- **Inspiring a Shared Vision:** Engage others to imagine the possibilities and influence results
- **Challenging the Process:** Take the initiative to explore alternatives and generate small wins
- **Enabling Others to Act:** Strengthen others by building trust, inspiring individuals, and facilitating collaboration
