

SKILLED TRADES CAREER EXPLORATION PROGRAM

Students interested in exploring a career in a skilled trade such as carpentry, iron working, or highway/bridge construction will not want to miss this program! Hosted by the Kinsley Education Center, students can look forward to learning about the opportunities, types of work, standards, and skill sets required to be successful in a leading company like Kinsley. Students will also have the opportunity to learn more about the Pre-Apprenticeship Program in Construction that YCAL and Kinsley offer to Junior applicants to complete during their Senior Year.

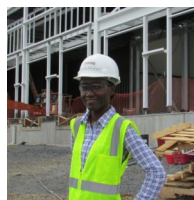

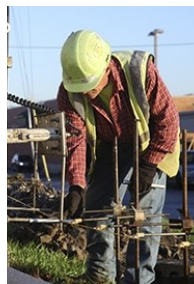

Eligibility: High School Sophomores, Juniors and Seniors
