Presented By:

CDL (COMMERCIAL DRIVING) CAREER EXPLORATION PROGRAM

For a student looking to take the wheel on their career, exploring the employment opportunities in the Commercial Driving industry may be a great place to start.

Commercial driving is far more complicated than getting behind the wheel and driving. In order to keep other motorists, yourself, and your cargo safe, proper training on Air Brakes, Haz-Mat, State and Federal Laws, Driver's Logs, Skid Control, Inspection, Load and Weight Distribution, Parking, and Defensive Driving (just to name a few!) must be completed. With a job growth rate of 5% over the next 10 years, now is a great time to check out potential training and a career in Commercial Driving. With a training program started over 20 years ago, York County School of Technology has successfully graduated over 1,400 students.

Eligibility: High School Seniors Only

Location: York County School of Technology
2179 S Queen St.
York, PA 17402

Date: Friday November 22, 2019

Time: 9:00AM - 2:00PM

Parking: Parking is available at the lot located along Queen St.
