

ACCOUNTING CAREER EXPLORATION PROGRAM

Do you know that not all Accountants are the same? Even in the same firm, some accountants' days differ greatly! In this program, students will gain insight into how their personal communication style and preferences apply in a public accounting environment. Students will also have the opportunity to ask questions to help solidify their interest in the accounting field and better understand practical applications of an accounting career through various individual and small group activities hosted by one of the regions' leading Accounting firms.
