

# ycal VIRTUAL CAREER EXPLORATION PROGRAMS

York County Alliance for Learning

YCAL establishes relationships with business partners to provide our High School students opportunities to explore different careers at no cost to the student. Participation in these programs increases students' understanding of the unique training, education, and work standards required to successfully pursue a given career path. In 2020-2021, all Career Exploration Programs will be held virtually. Please visit [www.ycal.us/students/mentoring-program/](http://www.ycal.us/students/mentoring-program/) for more information.

Unless otherwise noted at the time of registration, YCAL is utilizing Zoom Webinars to deliver these programs. Through this format, attendees will not appear on video or audio, but may interact and ask questions via the chat function provided. Students interested in attending any of the programs listed can register by clicking on the links provided below for each program that they are planning to attend. **PLEASE NOTE:** All programs are 60-90 minutes in length and can be viewed on-demand after they have aired in the event the live start time and date do not fit your schedule. Live viewing and Q & A are limited to the first 100 registrants.

THANK YOU TO OUR 2020-2021 VIRTUAL PROGRAM HOSTS!
