

YCAL VIRTUAL CAREER EXPLORATION PROGRAMS

York County Alliance for Learning

YCAL has established relationships with business partners to provide our High School students opportunities to explore different careers at no cost to the student. Participation in these programs increases students' understanding of the unique training, education, and work standards required to successfully pursue a given career path. Throughout 2020-2021, YCAL created a library of on-demand content which can be viewed on the next page, categorized by career cluster.

Where available, YCAL will work with its partners to provide on-site opportunities for students throughout the school year. Please visit www.ycal.us/students/mentoring-program/ for more information.

THANK YOU TO OUR VIRTUAL PROGRAM HOSTS!
