Join us for Remake Learning Days, a joyful celebration of hands-on learning events across Pennsylvania! Between May 4-23, we invite parents and caregivers to learn alongside their kids at events hosted by local community partners such as libraries, parks, schools, tech centers, museums, after-school centers, non-profits, maker spaces and more. Be a part of this worldwide celebration where families are encouraged to be curious, explore new types of learning and discover new passions!

Interested in becoming an event host for Remake Learning Days?

It's easy! Just follow these steps:

1

Submit your event at RemakeLearningDays.org

Event submissions will open on Dec. 1, 2022. We recommend submitting your event by February 28, 2023, so it may be included in marketing and PR materials. Please host your event between PA's festival date of May 4-23, 2023.

2

Share about your event and the festival to your network.

Join us for a marketing session in March where we will provide various materials, including a social media kit and press template, for you to highlight your event and other festival events.

3

Host an event and have fun!

Open your doors and have fun at your hands-on learning event! Remember, it's for parents and caregivers as well as youth. Post about your event using #RemakeDays or your regional hashtag and we'll be able to capture it in our social media report.

4

Help us capture input.

We will create a short survey to capture input from the families. Any data captured will be shared with you as an event host. This information helps us strengthen our learning ecosystem in your region.
