

# 2024-2025 SPONSORSHIP OPPORTUNITIES

YCAL provides several key events throughout the year that would be difficult to maintain without the generous support of our event sponsors. YCAL events offer a captive audience comprising of local educators, administrators, school board members, students, and various leaders throughout the community. If you are interested in exploring some upcoming sponsorship opportunities, please see the listings below.

Annual Report and Recognition Reception	Career Education and Work Standards Symposium	Career Readiness Education Workshop (CREW)	School Directors Dinner

This event is formatted as a 2-hour networking/happy hour event with a brief 30-minute program to review YCAL's previous year impact and to provide an overview for the upcoming school year. This event also serves to recognize those partners that have assisted YCAL in fulfilling its mission throughout the past year.	This educator-centered event typically includes dinner, break-out sessions, and panels. The purpose of this event is to promote inclusion of Career Education and Work Standards into curriculum at all levels of K-12 education. Sponsors are provided with a display table to engage attendees during arrival and dinner.	This student-focused event includes 16 career cluster breakout sessions presented by practitioners in that field. The second half of the day provides students with an essential business skills session, lunch, and a post-secondary expo consisting of local schools, training centers, military career recruiters, and exceptional employers.	This event is held annually to celebrate and honor members of the York County School Boards for their service and belief in the value of education. YCAL will also showcase one of its programs with participants from that program attending the event to speak of their experiences.
